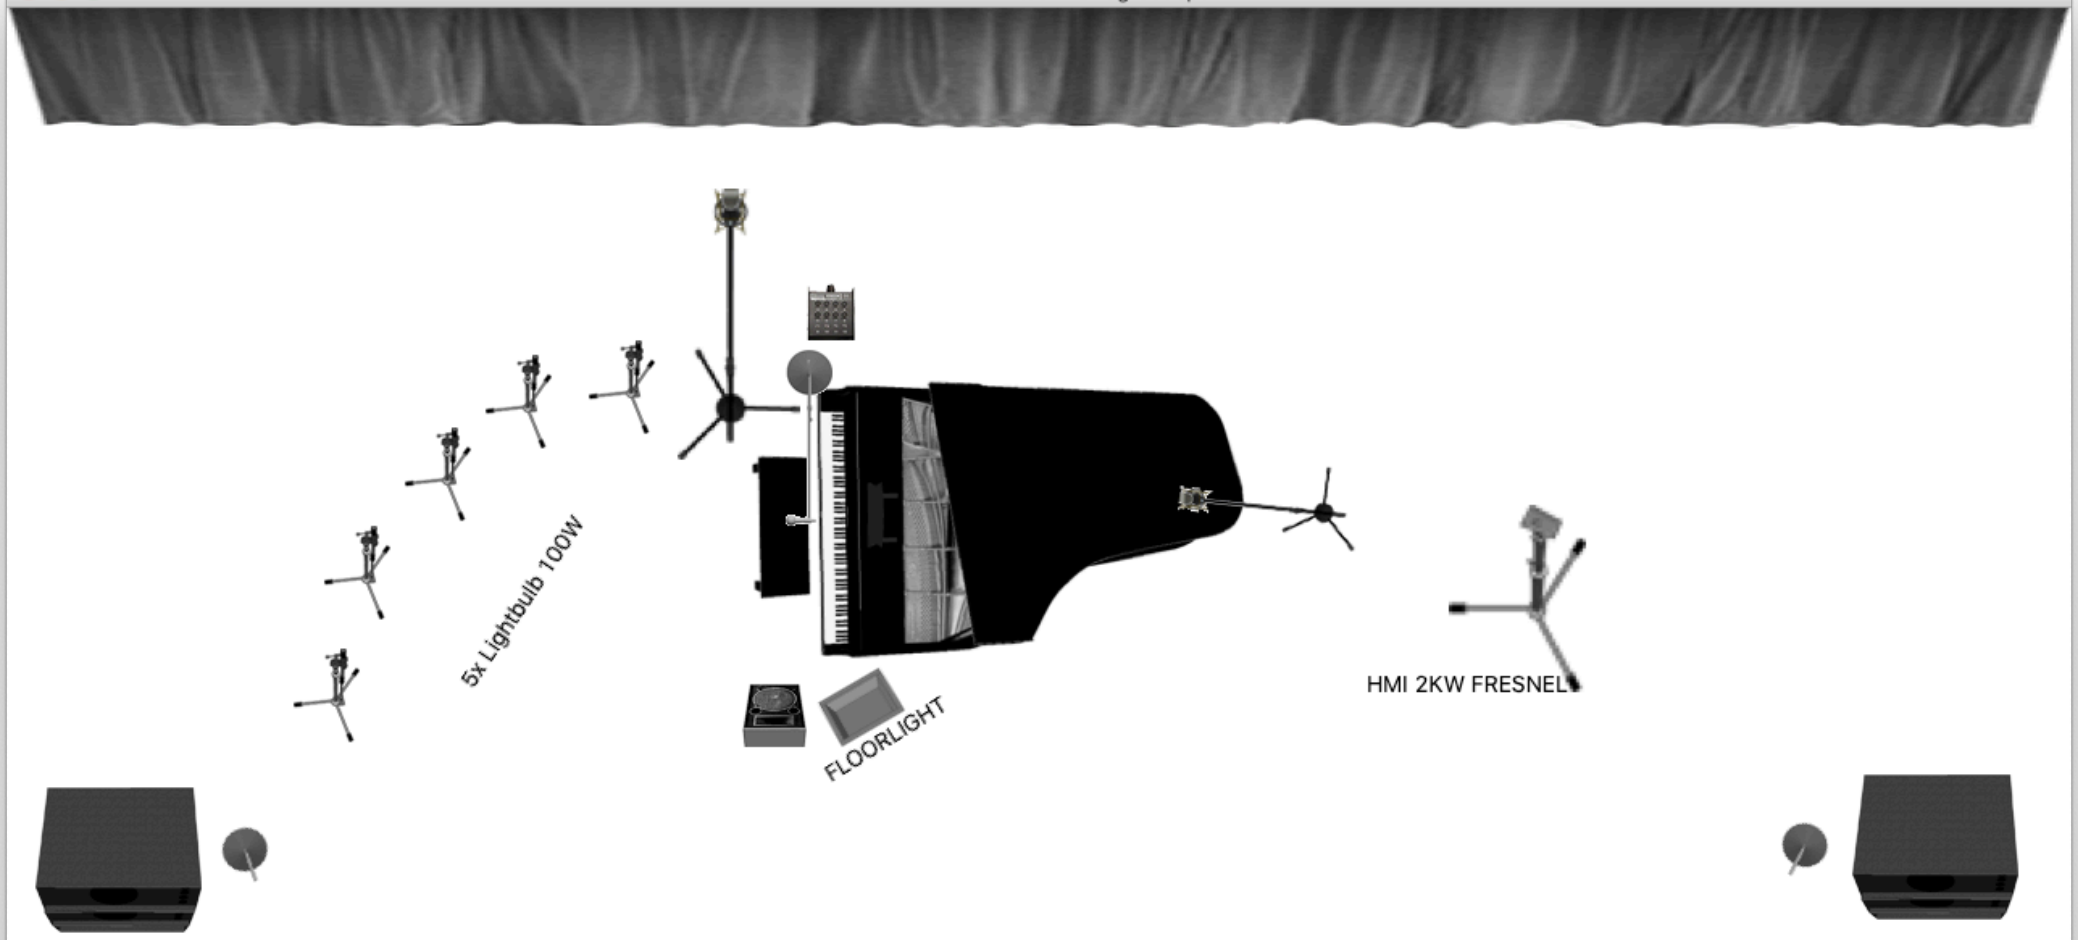
Lavalu MID AIR tour 2019groot.spd



1. DPA LOW 2. DPA HIGH 3. SCHERTLER LOW 4. SCHERTLER HIGH 5. PHILLIPS 9559 VOC 6. PHILLIPS 9559 PIANO 7. LEAD VOC 8. SPARE 9. AMB SR 10. AMB SL	11. WIRELESS HANDHELD 12. SPACE ECHO 13. BIG SKY 14. BIG SKY 15. ABLETON 16. ABLETON Does the venue has a wooden floor? Great! Please no ballet floor, carpet or vinyl.	PLEASE MAKE SURE THE PIANO IS TUNED TO 440hz and the Una Corda, Sostenuto and Sustain pedals are in good working order.	At the FOH we need enough space for our own audio and light desks. (100x200cm or 3.3x6.56ft) Both desks need an independent power outlet of AC230v 16A.	We'd like to use a small monitor (preferably 10"), two ambience mics on a small stand and a wireless handheld mic from the venue.	During theater shows our get in time for production will be 3PM or 15.00h	Hope seeing you soon! Rutger Drenth +31616772035 info@thedrenth.nl http://www.lavalu.nl/
